

SuffixArray::SuffixArray

```
graph LR; A[SuffixArray::SuffixArray] --> B[SuffixArray::buildLcpArray]; A --> C[SuffixArray::buildSuffixArray];
```

A diagram showing a central node on the left, 'SuffixArray::SuffixArray', which is a dark gray rectangle. Two blue arrows originate from its right side. The top arrow points to a white rectangle labeled 'SuffixArray::buildLcpArray'. The bottom arrow points to a white rectangle labeled 'SuffixArray::buildSuffixArray'.

SuffixArray::buildLcpArray
